

Scavenger Hunt: The Lion, the Witch, and the Wardrobe

If you're going to step into a magical wardrobe, you ought to at least take a look around: never know what you'll find! Look for these things in your home and circle them here. Items like toys or decorations count, but licensed Narnia products (such as official toys) or Narnian crafts (such as a character drawing) don't. Be creative!

If you find extra items from The Lion, the Witch, and the Wardrobe, write them down in the blanks!

Pevensie bonus: Imagine that you become a king or queen of Narnia. What would your crown look like? Draw it and design it! You can add colours and stickers to it if you like.

White Witch bonus: Play a game of Stone Statues (Ninja). Stand close enough to reach each other and pick a pose. Then, taking turns, try to touch someone else's leg or arm, and freeze in your new position. If you touch the other person, his arm or leg is turned to stone. If he dodges, he is safe. Continue until only one person has less than four stone limbs.

Feel free to share your bonuses with us on our Facebook page!
